Accessories Offer Customers a Memorable, Convenient and Comfortable Experience

Fabric Awnings

Create shade and comfort that customers will appreciate. Many color options available.

Waste Receptacle

Customers appreciate these conveniently located waste receptacles. Keeps your carwash clean and makes daily vacuum system maintenance easier.

Compressed Air

Clean and dry hard-to-reach areas with this convenient accessory.

LED Lights

Energy-efficient lighting draws attention to your site while making vacuuming convenient for customers. Dark Sky-compliant light shrouds available.

Mat Rack

Provides a convenient way to clean floor mats, making vacuuming faster and more efficient.

Towel Bin

Offer your customers the perk of provided towels with this bin. Stores clean towels and collects used ones.
